Sir:

**STATEMENT OF SUBSTANCE OF INTERVIEW**

Applicants file this paper to ensure compliance with M.P.E.P. § 713.04, and to clarify the record of exchanges between Applicants' representatives and the Examiner.

Applicants' representative conducted a telephonic interview with the Examiner on November 4, 2011.

During the interview, Applicants' representative explained the differences between independent claim 1, as amended in the Amendment filed on October 13, 2011, and U.S. Patent No. 6,064,424 to van Berkel et al., consistent with arguments made in the Amendment. In response, the Examiner agreed that the amendments would overcome the rejections made in the Final Office Action mailed May 13, 2011.

The Examiner also indicated that a new search would be conducted in view of the amended claims.

If the Examiner believes that the written record of the substance of the telephonic interview is not complete or accurate, Applicants request that the Examiner explain why this is the case, and also provide a one-month time period to complete the reply under 37 C.F.R. § 1.135(c). See M.P.E.P. § 713.04.

Please grant any extensions of time required to enter this response and charge any additional required fees to Deposit Account No. 06-0916.

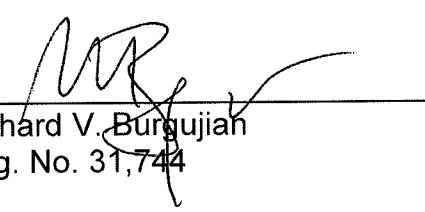

Respectfully submitted,

FINNEGAN, HENDERSON, FARABOW,  
GARRETT & DUNNER, L.L.P.
